WE BELIEVE IN GIVING BACK TO THE SOCIETY

Shanta is actively engaged in various philanthropic initiatives with the Ashulia Women and Children Hospital standing out as a remarkable example.

The Ashulia Women and Children Hospital (AWCH) is a non-profit philanthropic initiative under the CWCH Trust. Established in 2004 as the Center for Woman and Child Health, it has evolved into a full-fledged hospital to address the growing healthcare needs of the community. In 2022, the facility was renamed AWCH to emphasize its commitment to the holistic well-being of women and children.

Situated on a sprawling 3.76-acre campus in Ashulia, the eight-story hospital encompasses over 250,000 square feet and houses 250 beds. Its state-of-the-art infrastructure includes 12 ICUs, 8 HDUs, 12 NICUs, and Neonatology services, supported by a dedicated team of over 100 doctors and senior consultants ensuring exceptional patient care. AWCH also boasts cutting-edge facilities, such as a Dialysis Center, Diagnostic Lab, and Emergency Wing, reinforcing its pledge to deliver world-class healthcare services. Furthermore, the hospital has been accredited to offer postgraduate diploma courses through the Institute of Woman and Child Health, contributing to the development of skilled healthcare professionals.
